On Behalf Of: Mr Oregon Opposes SB 1564  
Committee: Senate Committee On Housing and Development  
Measure: SB1564

I OPPOSE [SB 1564].

The Department of Land Conservation and Development should abjectly refuse to carry out the destructive directives to build housing everywhere in Oregon.

Housing projects are eating up valuable farm land, Land set aside for recreation and wildlife.

Under "NO" circumstances should the Department of Land Conservation and Development participate in any way with the destruction of Oregon via residential housing projects no matter what form the residential housing project takes.

David S. Wall  
Mr. Oregon Concurs.
