

Submitter: John Olson
On Behalf Of:
Committee: Senate Committee On Housing and Development
Measure: SB611

My name is John Olson and I live in Portland. I have worked in the rental housing industry for over thirty years. Please vote NO on SB 611. This bill will create further division in our city. It used to be that owners and renters had a more symbiotic relationship. In recent years that relationship has turned more and more adversarial and divisive. SB 611 will just make everything all that much worse. It will not benefit either side. If it passes it will lead to less housing, higher rents, and even more homeless on our streets. How is this so difficult to understand. It's very simple economics. Be smart! Vote NO!
