Measure, Appointment or SB78  
Topic:

Please vote no on SB 78. This bill strips the rights of property owners. Imagine losing your home to a natural disaster only to be told you can no longer replace it because the government now dictates what size houses can be - regardless of location, size of your family, etc. That is a blatant overreach of government and a potential hardship on those who may lose a home. Please put yourselves in the shoes of those who voted for you. We trust that you will defend our freedoms, not take them away.
