Hi my name is Joshua Geer I am a oxford member in Bend Oregonl am opposed to bill HB 2239 The certification process and standards of Oxford House Incorporated should be held on equal footing as the NARR certification. I believe there to be a great need for several different Recovery Housing options in the State of Oregon. Oxford House and the true Democratic, Self Supportive Model, of one person in recovery helping another was and continues to be a life changing opportunity for several throughout the State of Oregon. The longest I have ever been able to stay sober has been with the help of Oxford I've met so many great people that have changed my life and helped me become a productive member of society
