

Submitter: William McClelland  
On Behalf Of:  
Committee: House Committee On Housing and Homelessness  
Measure, Appointment or Topic: HB3054

I strongly support this measure to limit rent increases of floating homes. Floating home owners are faced with a uniquely difficult situation as the homes cannot easily be relocated as there are limited slip spaces in the area, and because moving a floating home is extremely expensive. As a result, the market value of the homes continue to fall as their associated rents increase.
