Taxpayer funds are meant for infrastructure and the safety of taxpayers. Taxpayer funds are not meant for maintaining a cycle of vagrant occupation. The only institution that benefits from this will be another bunch of bureaucrats whose job was created for the sole purpose of increasing the liberal bureaucracy! WE THE PEOPLE are fed up with your tax and spend mentality.

Mark my words...If you continue to tax Oregonians like Californians you will see a massive depopulation of this state along with businesses exiting as well.

Socialism does not work! Never has...never will!
