Please pass this bill. My husband and I live in a 55+ mobile home park and the space rent is so high that we couldn't pay for our car and insurance and so our car was repossessed. If the rent keeps going up as it is, we will be forced to move and rent is so high that we cannot afford that either; we will be homeless. It is imperative to us that this bill passes and helps keep the rent increases lower. \$100 a month increase each year will force us out very soon. As it is we have to file bankruptcy just to keep food on our table.
