Measure: HB3501

This is absolutely stupid and ridiculous. It shouldn't be allowed. They are dirty and do not care. Portland is already a toxic dumpster fire. Letting them camp and shoot up wherever and whenever. Y'all need to pull your heads out of your asses. They do not care, give them everything went don't you? See what happens, oh, still crapping on the sidewalks and taking their free \$1000 to their veins. Stupid, y'all should be ashamed of yourselves. I work my butt off and pay taxes so your worthless thoughts can become a illegal camp sites to legal. Real smart, god seriously, who and why was this ever thought to be a good idea?
