Measure, Appointment or Topic: HB3556

Our small, rural areas rely on transient lodging tax to attract visitors to our area. Maupin, and all of South Wasco County, relies on tourism and recreation to drive our local economy. If our Chamber, and other Chambers in Oregon have their funding cut, our small businesses will suffer the consequences. Small businesses are already struggling due to the powerhouses that big box stores and online retailers have become. Please consider the families that rely on tourism to keep their businesses afloat, and vote NO on HB 3556.
