

Submitter: Laura Hamilton  
On Behalf Of: Oregon families  
Committee: House Committee On Housing and Homelessness  
Measure: HB3501

This is an absolutely ridiculous proposal...so ridiculous that it comes off as a joke. With city streets and public spaces being unsafe for workers and for families trying to thrive in this hellscape, why would anyone who isn't an absolute sociopath and narcissist ever entertain such an abominable idea. To further encourage and protect drug addicts camping on streets, sometimes making them impassable, and in parks, making them unusable and unsafe for children and families is treason to every taxpaying Oregonian. Totally despicable.
