Dear Rep. Fahey, Chair and Committee Members

Friends of Marion County is an independent 501(c)(3) farmland protection organization founded in 1998. Our mission is to protect farm and forestland, parks, and open space.

We oppose HB 4118 and Amendment -1 because

- (1) these UGB expansions will be driven by individual private landowners, not a public process,
- (2) the bill will distract cities from taking real actions to increase diverse and affordable housing options where people need and want to live, inside UGBs — near work, school, and shopping, and
- (3) the scope of the -1 Amendment is much too broad to handle any one of the listed issues in an effective way.

We urge you to reject HB 4118 and the -1 Amendment and thanks for listening.
