

Submitter: David Wall  
On Behalf Of: Mr Oregon OPPOSES HB 2005  
Committee: Joint Committee On Addiction and Community Safety Response  
Measure, Appointment or Topic: HB2005

I OPPOSE [HB 2005].

The subject matter of [HB 2005] is too complicated for the Oregon Health Authority(OHA). The OHA will need a plethora of Consultants and Attorneys just to tie its' administrative shoes.

[HB 2005] will be very expensive to implement and to provide sustained services.

From the TEXT of [HB 2005], "...SECTION 1. The Oregon Health Authority shall study behavioral health. The authority shall submit a report in the manner provided by ORS 192.245, and may include recommendations for legislation, to the interim committees of the Legislative Assembly related to health no later than September 15, 2026."

\*\* [HB 2005] has 'No' Budget allocation and Funding Source(s) are not identified to pay for the professional report dictated by [ORS 192.245].

\*\* [HB 2005] has 'No' Budget allocation or identified Funding Source(s) to provide for construction, implementation and as a sustained service provider.

[HB 2005] and is hereby declared incomplete and therefore is an incompetent piece of Legislation.

\*\*\* [HB 2005] as incompetent Legislation, should be rejected and denied (with extreme prejudice).

David S. Wall  
Mr. Oregon Concurs.
