Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB2967

This is an outrage and a slap in the face for the Landlords. Who do the legislators think is providing affordable housing anyway. Soon there will be NO affordable housing if the laws keep changing to benefit the Tenants and allow them cheat, lie, and steal from the Landlords. I may have to close my business and put 50 families on the street if the laws keep changing to put a knife in the Landlords backs and tie their hands. This is unbelievable!
