On Behalf Of: Mr Oregon OPPOSES SB 999  
Committee: Senate Committee On Labor and Business  
Measure, Appointment or Topic: SB999

I OPPOSE [SB 999].

[SB 999] permits the establishment of Farmworker housing in rural areas. The housing will be permanent structures with necessary plumbing and septic or sewer connects.

[SB 999] can (and will) be argued to allow more residential housing in rural areas. Farmworker housing will be considered as 'Accessory Dwelling Units'.
