I strongly oppose House Bill 3335 as written; Oregon Constitution does not allow the Legislative Assembly to enact laws in which benefit or appropriate money to religious organizations incorporated as a non-profit (501)(c)(3) and exempt from income tax under section 501(a) of IRC. Most or All Religious Organizations do file under (501)(c)(3) non-profit corporations under permission of the IRS under IRC rules. Two of the largest in Oregon and elsewhere is the Catholic Church and the Seventh Day Adventist Church, respectfully, Saint Vincent Health Systems and Adventist Health Systems- hospitals, subsidiaries, and clinics.
