

Submitter: Evan West  
On Behalf Of:  
Committee: House Committee On Rules  
Measure: HB3414

I am an historic preservation professional, and have testified on related subjects for Oregon House committees before. Simply put, the bill as written jeopardizes the ability of local jurisdictions to create historic preservation ordinances and guidelines. Please rework this bill so that its true intentions (providing housing) can be accomplished without interrupting the ability of local governments to preserve historic places.
