Committee: House Committee On Climate, Energy, and Environment
Measure, Appointment or HB2961
Topic:

I'm writing in support of the EV-ready Expansion bill (HB 2961). EV's are the future. Let's not fall behind. If renters have cars, they may have EV's. And they will increasingly have EVs over gasoline powered cars. Let's not put barriers in the way of people who want to own EVs.
