I oppose this bill! We are ruining this state by providing everything for those who choose to do nothing to better themselves. We spend tons of money to make life easier for them and they don't want that. I am a 6th generation Oregonian. My relatives are posted in the Oregon Trail interpretive Center. You're pricing me out of living in this state that I love. You're using up all the natural resources. Don't keep trying to attract homeless people by making it so easy for them! Thank you!
