Committee: House Committee On Housing and Homelessness  
Measure, Appointment or Topic: HB2138

Please remove Section 22(1)(f) from this bill. The intent of HB 2138 is to create more middle housing in Oregon, which I support. As written, middle or affordable housing is not required as a condition for removing a demolition review process. This opens the door for demolition of historic homes and places for other purposes that are not the goal of this legislation.
