I am vehemently against yet another Tax for homeless , that only goes into the bank accounts of the unlawfully positioned politicians in Salem ! We pay \$4000 twice a year for absolutely NOTHING being done - where does all this money go ? The streets of Portland are still deplorable. The abject arrogance of the leftist politicians in this state is unspeakable ! You think the citizens don't see through everything- all but the leftist brainwashed do ! You don't want to fix an absolutely fixable problem ! NO more taxes !! Businesses are leaving and this city is in shambles but Salem could care less ! As long as your pockets are lined for your dinner parties and trips . Beyond disgusting !!!
