Measure, Appointment or Topic: HB3644

Six decades in Portland and I am still waiting for fiscal responsibility. Oregon voters have no more money or desire to support bloat like this bill.

Real voter supported priorities:

- 1) Repair infrastructure
- 2) Repair road surfaces
- 3) Invest in bringing industry to Oregon
- 4) Lower utility prices

Almost anything but another woke waste of taxpayer dollars in one of the most irresponsible states in the country.

Absolutely no on HB 3644!

PDX District 3 voter.
