

Submitter: Beverly Spurgeon  
On Behalf Of: myself  
Committee: House Committee On Housing and Homelessness  
Measure: HB3501

Please please do not allow the homeless to camp on any public spaces...I as a concerned citizen for safety for my grandchildren and elderly that cannot defend themselves against the crimes and filth of unsanitary exposure. This bill will only promote making the area less desirable for those who pay their taxes to want to stay in the area. Property values will go down!
