

Submitter: Elaine Lavington  
On Behalf Of:  
Committee: Senate Committee On Housing and Development  
Measure, Appointment or Topic: SB722

I oppose this bill based on the reduction of residential new build rent caps from 15 to 7 years. Oregon is in a housing crises and needs as much new construction as possible. The last thing we need right now is to add additional restrictions to builders which will result in increased costs and less building.
