Re: [\*\*HB 4026-1\*\*](#) – Overriding Referendum Process for Urban Growth Boundary – **Oppose**

The League of Women Voters of Oregon opposes the proposed -1 amendment to HB 4026 which would retroactively negate referendum petitions to **any** local government determinations under ORS 197.626. This position is consistent with the LWVOR 1980 position on initiative positions which states:

The League of Women Voters of Oregon supports the Oregon petition referendum process as provided in the Oregon Constitution.

This amendment would take away voters' rights to the referendum process. Furthermore, changing the constitutional referendum process and making the amendment retroactive are likely to be unconstitutional and invite a lawsuit.

We ask that you oppose the -1 amendment to HB 4026.

Thank you for the opportunity to discuss this legislation.
