On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Hi

My name is Michael Stone a tax payer! I think legal camping is a ridiculous idea. I pay my taxes and own a house in Hillsboro, Oregon. I have two ideas on this initiative. One is stop supporting drug use and arrest anyone caught with drugs and lock them up, and the other is no camping period in city limits. Any City in Oregon. Have you nut cases seen what it's doing to Portland and the surrounding cities. Businesses are shutting down and leaving by the hundreds. Garbage everywhere, it's disgusting that we have to put up with it. Crime has gotten out of control and you idiots are making it worse. I'm voting all you out of office. I'm not the only one that can vote. Get your heads out of your, well you know what the rest of the sentence is.

Michael Stone, a very upset Oregonian!
