

Submitter: Dylan Vandehey

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

Portland currently ranks as 60/62 in downtown recovery [0], in no small part due to Portland's stance on homelessness. Making it legal to camp on public land will make matters worse, at best. Even with it currently technically not being legal, the situation is dire.

This bill should absolutely not pass.
