My name is Jennifer DeLaO. I am 73 years old

I am a resident at Marwood apartments, a section 8 based apartment. I have lived here 20 years.

I have seen many apartment managers. I have always paid my rent on time. That has not protected me from bad managers.

I have had to use Resolutions NW, Legal aid and Fair housing to protect me. Issues against me regarding homophobia, sexism and just don't like you reasons to try and have me evicted.

It is just not FAIR to have no right to fight against bad managers. It is just not fair to residents.
