Committee: House Committee On Housing and Homelessness  
Measure, Appointment or Topic: HB3921  
3/24/2025

Chairman Marsh, Vice-chairman Andersen, members of the committee:

Thank you for the opportunity to submit written testimony. I urge you to oppose HB3921.

My name is Colleen Peachey I live on Charter Oaks Drive; I am directly affected by this bill. I believe that this legislature should be working for the entire state not just a single person or entity. The best decisions about growth include a chance for citizen involvement. If the process for changing UGB's is broken, then I believe as a legislature you need to fix it, not override the process. The Roseburg UGB swap is currently in the hands of Dept. of Land Conservation and Development (DLCD). One would assume that such a state agency will be an unbiased party making sure that the proposal follows the correct process.

Thank you for your time and consideration on this matter.

Respectfully,  
Colleen Peachey
