

Submitter: Artie Maine  
On Behalf Of:  
Committee: House Committee On Housing and Homelessness  
Measure, Appointment or Topic: HB2400

We are in the midst of a self-inflicted housing crisis, and we should be encouraging housing to be built wherever a property owner wants to build it. The real solution to this problem is the elimination of urban growth boundaries, but this legislature has proven that it does not have the backbone to actually solve problems.
