

Submitter: Cristina Ardelean  
On Behalf Of:  
Committee: Senate Committee On Human Services  
Measure: SB1591

I support this bill because most of our residents come from the big facilities and are often missing the larger community they are coming from. In foster care homes they would be receiving the personalized care they are seeking but also be able to be a part of a larger community !

Thank you for your consideration ,  
Cristina
