

Submitter:

Etema Banks

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: SB949

I am in support of SB 949, affordable housing continues to be a crisis in our Portland community. It is essential that trusted community partners such as Self Enhancement be at the forefront of this issue. Because of the harmful impacts that decades of gentrification and unfair housing practices communities of color, especially the Black community have suffered.
