

Submitter: Peter Cakebread

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure: HB3501

I feel that this will set a precedence for mass homeless camps. We've seen what it does to local businesses and neighborhoods throughout Oregon. When do the taxpaying citizens become relevant? I do NOT want to see this happen at all. I am already tempted to move out of state due to the extreme politics in this state.

PLEASE do not pass this HB. Businesses are desperate and homeowners are fed up with this.

Thank you
