**Re: I OPPOSE [HB 3261-1]...*The flushing of more good money down the toilet continues.***

What is the cost of the Hotels and or Motels?

What funding source(s) is going to be used for this program?

Who will be the property owners?

How much are the conversions going to cost?

What are the operational costs? Any guesses?

Who is going to provide maintenance and the cost... is?

Who is going to choose who gets to be housed? *Is a variation of "Schindler's list" contemplated?*

What is the cost of additional staff for this program?

What happens if and when funding is cut? What happens to the "housed clients?"

[HB 3261-1] does not have; Fiscal or Revenue Statements or Budget Report. Why am I not surprised?

***Respectfully submitted,***
