Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB2967

My name is Saff Addams and I urge you to support HB 2967 as it is a step in the right direction to removing barriers to finding housing. With the current housing market and crises in Oregon, any removal of barriers to finding or keeping housing will be hugely beneficial to all Oregonians. Please vote yes on HB 2967 and make housing applications more accessible to those who need them most.
