Committee: House Committee On Housing and Homelessness  
Measure: HB3501

Are you crazy! Haven't we been through enough? It's been heartbreakng watching the city I love (Portland) deteriorate into a shell of itself. If you want to kill whatever is left.....then pass this awful bill. As a taxpaying resident, I'm tired & exhausted of being ignored & taken for granted.

Do your job & find a solution for everyone. Not just one part of the population.

Ticked off,  
Connor Irvine
