

Submitter: Kathryn Marxen-Simonson  
On Behalf Of:  
Committee: Senate Committee On Housing and Development  
Measure, Appointment or Topic: SB1522

Hello,

Please oppose this bill as the impacts this would have on the natural environment and farm land in Oregon would be irreparable. We cannot get rid of the urban growth boundary or make it easier for cities to sprawl and develop outside it as that would ruin what makes Oregon, Oregon.

Thank You!
