

Submitter: Maureen Dannen  
On Behalf Of:  
Committee: House Committee On Climate, Energy, and Environment  
Measure, Appointment or HB2961  
Topic:

I urge you to support HB2961. Providing access to charging capabilities is key to expanding EV options to a greater number of people who are hoping to switch to a cleaner method of transportation. It's a positive investment for now and for the future.

Thank you!
