

Submitter: Jay Raney  
On Behalf Of:  
Committee: House Committee On Rules  
Measure: HB3414

House Committe on Rules:

I can see why HB3414 is favored by developers, but I don't see why it benefits those of us who live in Oregon and appreciate the chacter imparted to our cities and towns by the charm of older homes and other buildings. My wife and I have long been volunteers at an historic home and garden and live in an older home (1933) adjacent to an historic district. Imposing a statewide rule that favors developers also undermnes local control of development.

Please do not approve HB3414.

Respectfully,
