

Submitter:

Dennis Hebard

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB3644

There are already supportive housing for those that want it,
Oxford houses, union gospel mission, st Vinny's

The government should be cutting red tape for these Organizations

But not throwing money at the problem to the point it is relying on as an entitlement

Entitlements even to agency's create a dependency that will never end.
