Measure, Appointment or Topic: HB3644

Rural communities are not the place to relocate massive numbers of homeless and/or drug addicted persons. We do not have the resources and/or jobs to deal with them. Building a bunch of "holding pens" will only add crime and increased drug addiction to our community. Not to mention the burden and disruptiveness it puts upon our school system. The liberal west side of the state allowed this chaos to happen and has no right to push this problem onto these other communities. VOTE NO!
