

Submitter:

Beverly Moos

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB2400

This bill does not accomplish what we would hope. It has a very short time period for the "relative" to live in the additional dwelling and then it can be rented or sold. This does not help the housing shortage. The city of Bend should look to their existing areas, within the city, to add housing first where infrastructure already exists.
