This bill sounds like if I want to rebuild a house on my property I can not build a place larger than 2500 sq.ft. What if my house was larger than 2500 sq ft before the rebuild? Rural Oregon is regulated and told what they can and can not do, but owning property in Portland would be exempt. This will divide rural and urban even more.

Please vote no on this unequal bill. Stop the land grab.

Thank you.
