On Behalf Of: Mr Oregon OPOOSES HB 4063  
Committee: House Committee On Housing  
Measure: HB4063  
Monday; [02.08.22]

I OPPOSE [HB 4063].

[HB 4063] is a waste of money.

The Professionals in the Oregon Business Development Department should have already developed such a program...plus it is too costly.

Private Developers are getting a 'Free Ride' with [HB 4063].
