

Submitter: Michael Brainard  
On Behalf Of:  
Committee: Senate Committee On Housing and Development  
Measure, Appointment or Topic: SB438

The state should be in the businesses of telling people what they cannot do with their property as long as the property owner is being responsible and not creating hazards. I also recognize that in many parts of Oregon we are in a housing crisis and need to be able to build more homes. It is for these reasons I support SB 438.
