

Submitter: Diane Braun

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure: SB799

Dear Reader, I am opposed to SB 799 because I do not believe such legislation will help the housing crisis. This bill puts housing providers in a vicarious situation and further enables renters to forgo paying their rent. This senate bill will only further force housing providers

to sell there property leaving less rentals available. This has been and is continuing to happen as I write this letter. Previous legislation has also forced the hand of many good housing providers to either sell their property or increase their rent to compensate for their new liabilities and increased costs as a result of new proposed legislation. I urge you to vote No on
Senate Bill 799. Thank you.
