Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB2305

We have a tenant who has been consistently late paying his rent for the last year. By the time we have spent getting him to pay the rent, next month's rent is due. It is time consuming for us to deal with this every month under the current regulations. Passing this legislation will help all us landlords deal more effectively with this kind of tenant. Thank you for allowing our input to this important legislation.
