

Submitter:

Jen Goertzen

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB3644

This state can NOT afford to house thousands of homeless people - they are here because of the HORRIBLE policies that have run unchecked in this state for years. You all need to fix the issues and problems in Salem before you dump the homeless on those of us living here who do contribute. Be Better! Stop giving out free money and start making a stand against drug use.
