Measure: HB2983

Hello and thank you for taking the time to review this matter. My name is Michelle Fielder I am currently the President of Cedar Glen Estates Cooperative. My community is a little piece of heaven on Mount Hood. We (community) purchased our manufactured home park July 11, 2022. Without the help of Casa, Noah and grants it would not have been possible. Most people think of manufactured home parks as run down, dirty, and people who do not take care of their parks. This is not always the case. Please allow more people the option for these grants as most of us here are on disability and social security having these grants and having help to keep people in their homes is worth more than any of you know. We would welcome any one of you to come take a look at our park and know who and what you are helping! 25222 E Welches Rd. Welches, Oregon Unit 37. Every member of my community thanks you all for your hard work!!

Thank you, Michelle Fielder  
Cedar Glen Estates Cooperative President
