

Submitter:

Laurel Hines

On Behalf Of:

Committee: Senate Committee On Housing and Development

Measure, Appointment or Topic: SB1522

Please do not pass this bill. The lands which may be easiest to put houses on, are also easiest and most valuable to farm. Please save our wonderful and historic land use system, avoid inviting the kind of sprawl that exists elsewhere, and save farm;, green space, and forest for the future. This is a bad bill which would wreck the land use planning that has helped Oregon for many years.
