

Submitter: DAVID FARAHNIK
On Behalf Of:
Committee: House Committee On Housing and Homelessness
Measure: HB3501

To Whom it may concern,

As a life long Portlander this cannot continue. I hope that this measure does not pass as our city is decaying in front of our eyes. The compassion that we are showing to the unhoused is a blind eye turned to the real problems that exist; namely drug addiction & mental illness.

I hope that we can provide active services to help our fellow Portlander's in need, but do not facilitate in their demise.

Thank you for your time & Best Regards,

David Farahnik
